## SUMMARY

Full Stack Web Developer with a background in the Health and Wellness Industry and sights trained on the big picture. Skilled at spotting unique connections that keep projects interesting and lead to innovative, elegant solutions. Inspires and delivers excellent execution through playful diligence.

## TECHNICAL SKILLS

**Languages:** HTML, CSS, React, JavaScript, Node, Express, MongoDB, MySQL

## PROJECTS

**pharm-assist** | **GitHub Repository:** <https://github.com/sissyhanks/pharm-assist>

**Link to Deployed Project:** <https://evening-taiga-39557.herokuapp.com/>

**pharm-assist** is an app designed to help people with multiple prescription track their medications and alert them to possible interactions. I implemented the JSON web token login process and from there the context creation for this project.

**Tools and Languages:** React, JavaScript, Node, Express, MongoDB, JSON web tokens

**AI-Pointment** | **GitHub Repository:** <https://github.com/abrazik/AI-Pointment>

**Link to Deployed Project:** <https://aqueous-ocean-83176.herokuapp.com/>

**AI-Pointment** is a chatbot that assesses a user's car maintenance needs and facilitates service appointment scheduling. I implemented the login feature for this project.

**Tools and Languages:** Handlebars, JavaScript, Node, Express, MySQL, Google Cloud

**Partyrama** | **GitHub Repository:** <https://github.com/sissyhanks/Holiday>

**Link to Deployed Project:** <https://sissyhanks.github.io/Holiday/>

**Partyrama** is an app to help party planners come up with a theme for their event. I created code to parse through information from an API call and return only pertinent information to users.

**Tools and Languages:** Bulma, JavaScript, JQuery, Calendarific

## EXPERIENCE

**Registered Yoga Teacher 200 hour**

2011 - Present

Impliment curriculum guidelines for certifying Reiki Practitioners.

Create and execute individualized training modules to fulfill elective requirements within yoga teacher training programs.

Work one on one with clients to identify and address needs around stress relief and relaxation.

Lead group classes focused on identifying the core benefits of poses and helping students adapt them to their specific physical strengths and limitations.

Guide community practice events.

**Administrative Assistant  
Yoga on High**

2007 - 2014  
Columbus, OH

Supported the execution of yoga classes, workshops, and other events by maintaining event listings in scheduling software and on the studio website; communicating details to and addressing concerns of students; collaborating with internal and external teams to ensure all materials were prepared and present at the event time.

**Office Assistant  
Sales One Realty**

2000 - 2005  
Columbus, OH

Worked closely with landlords to identify suitable rental applicants.  
Guided tenants through the rental process.  
Maintained leasing documents and organized tenant communication.  
Designed and executed processes to streamline repetitive tasks.

**EDUCATION**

**OSU Coding Full Stack Boot Camp Certificate:** The Ohio State University, Columbus, OH  
A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

**Bachelor of Sciences** double major in **Sociology and Women's Studies:** The Ohio State University, Columbus, OH
