SUMMARY

Full Stack Web Developer with a background in the Health and Wellness Industry and sights trained on the big picture. Skilled at spotting unique connections that keep projects interesting and lead to innovative, elegant solutions. Inspires and delivers excellent execution through playful diligence.

TECHNICAL SKILLS

Languages: HTML, CSS, React, JavaScript, Node, Express, MongoDB, MySQL

PROJECTS

pharm-assist | GitHub Repository: https://github.com/sissyhanks/pharm-assist
Link to Deployed Project: https://evening-taiga-39557.herokuapp.com/
pharm-assist is an app designed to help people with multiple prescriptions track their medications and alert them to possible interactions. JSON web tokens provide the basis for authentication and context in React.
Tools and Languages: React, JavaScript, Node, Express, MongoDB, JSON web tokens

AI-Pointment | GitHub Repository: https://github.com/sissyhanks/AI-Pointment
Link to Deployed Project: https://shielded-beach-35675.herokuapp.com/login
AI-Pointment is a chatbot that assesses a user's car maintenance needs and facilitates service appointment scheduling. A hook within the Sequelize user model drives the app's login feature.
Tools and Languages: Handlebars, JavaScript, Node, Express, MySQL, Google Cloud, Sequelize, bcrypt

Partyrama | GitHub Repository: https://github.com/sissyhanks/Holiday
Link to Deployed Project: https://sissyhanks.github.io/Holiday/
Partyrama is an app to help party planners decide on a theme for their event. The app relies on code created to parse information from an API call and return only pertinent information to users.
Tools and Languages: Bulma, JavaScript, JQuery, Calendarific

EXPERIENCE

Registered Yoga Teacher 200 hour   2011 - 2020
Earned clients by fostering relationships within the community.
Inspired courage and confidence in students by directing their attention to the present moment.
Guided trainees through the skills and principles necessary to lead offerings of their own.

Administrative Assistant   2007 - 2014
Yoga on High   Columbus, OH
Seamlessly merged two client bases after a business acquisition by engineering configuration models within the company's website, marketing, and business management software.
Ensured ongoing relationships with visiting teachers by clarifying program needs and overseeing their execution.

Rental Division Coordinator   2000 - 2005
Sales One Realty   Columbus, OH
Minimized vacancies by systematizing the lease renewal process and forthcoming inventory marketing strategy.
Increased rental property viewings through the establishment of tour routes.
Reduced tenant complaints by creating lease signing procedures that address common problems and contract misinterpretations.
